UNLEASH YOUR SUCCESS

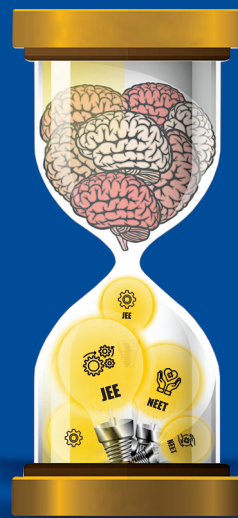

IINSIGHT
The Entrance Paradise

IINSIGHT and the establishment of the IINSIGHT Group of Organization are truly remarkable. IINSIGHT boasts an expansive 111-acre residential campus in Vrindavan City, Jamtha Nagpur, running with INSIGHT Junior College Affiliated to State Government of Maharashtra. Furthermore, its corporate office and training centre is strategically located at Jaiprakash Nagar Square in Nagpur, complemented by additional city centres in East and Sadar region of Nagpur, as well as a campus in Chandrapur city running with INSIGHT Junior College Affiliated to State Government of Maharashtra. Excitingly, IINSIGHT is coming up with new centres in Nagpur (Dharampeth & Besa) region, Gondia, Amravati, Jabalpur and Pune. All training centres will be dedicated for preparing students for competitive entrance exams such as JEE and NEET, as well as Boards Exams.

IINSIGHT is renowned for its unwavering commitment for delivering comprehensive and outstanding education in both urban and rural areas. With more than two decades of expertise in the field of education, our contributions have unquestionably played a pivotal role in the institute's accomplishments. We have been diligently guiding and mentoring students, facilitating their admission into prestigious engineering and medical colleges and institutions throughout the nation. In addition to this, we also have three junior science colleges, a CBSE School and a Pharmacy & Nursing college.

"**Brainbow**"- unleash your success, is a prestigious exam with the goal of offering students a distinctive challenge and engagement experience. This exam evaluates students' academic capabilities and places a strong emphasis on assessing their knowledge, academic excellence, critical thinking prowess, comprehensive learning, problem-solving skills and fostering healthy competition. The exam consists of a 45-minutes test specifically designed to underscore the significance of mathematics and science at the school level.

**SCHOLARSHIPS
WORTH Rs. 8 CRORES**

SYLLABUS: For 10th Grade Students

Subject : Physics, Mathematics, Chemistry & Biology

The Brainbow exam covers topics from the ninth-grade curriculum and the content taught in the first half of this year.

MATHEMATICS :

Arithmetic : Number systems, percentages, ratios and proportions, profit and loss, simple and compound interest, time and work, time and distance.

Algebra : Linear equations, polynomials, factorization, quadratic equations.

Geometry : Basic concepts of lines, angles, triangles, circles, and polygons.

Mensuration : Area and perimeter of various shapes, volume, surface area.

Statistics and Probability : Mean, median, mode, probability basics.

Trigonometry : Height & Distance

SCIENCE :

Physics : Motion, forces, light, sound, electricity, magnetism, energy, heat, scalars & vectors.

Chemistry : Elements, compounds, chemical reactions, acids and bases, metals and non-metals, carbon and its compounds.

Biology : Basic concepts of life processes, cells, reproduction, human physiology, health & genetics.

TEST DETAILS & SCORING :

The Brainbow exam is a multiple-choice question (MCQ) format test that lasts for 45 minutes. Each question provides four answer options, and students must choose one as their final response. Correct answers are rewarded with 4 marks, but the exam employs a negative marking system where an incorrect answer results in a deduction of 1 mark.

In each subject, such as PCMB, there are ten questions, making a total of 40 questions across all subjects, with a cumulative maximum score of 160 marks. The results will be determined based on the percentile score.

BENEFITS :

- Digital Certificate for Participation
- Certificate of Excellence
- Memento for School Participation
- Scholarships available, with a maximum of 100% waiver in tuition fees for the Top 100 students
- Complimentary one-on-one career counselling session
